

Summer in the city. What are you up to? BIWA takes a short break and will be back in September with fresh ideas. Let's not forget about all the great events that happened just before the summer break. You can check them out here...

VIVA LA BIWA

BIWA donates highest charity amount since it's foundation!

This year's Garage Sale was another great success. A lot of toys, clothes, kitchen utilities and many other things were donated, and many people came for second hand shopping on May 9th. The raised money from the Garage Sale together with money from BIWAs account, in total 15.000 TL were given to the charity project for Lütfi Banuşođlu İlkokulu.

Annual Barbeque Party

Right after the Garage Sale, BIWA's annual BBQ Party took place at La Fiyonk Parti Evi in Bademli. Many members joined the BBQ in the evening and celebrated BIWA and its great work: **VIVA LA BIWA!!!**

Bye, bye, bye

Women from all around the world are part of our association. Some stay forever, others have to leave Bursa after a while. The barbeque was also a bit of a **goodbye** party to Laurence and Sophie, whose jounries in Turkey are over but will continue in France and the USA. One of the playgroup moms, Zeliha, is up to new adventures with her family in Germany as well. We wish them **ALL THE BEST** and BIWA will be happy to welcome them whenever they are back for a visit!

WHAT'S UP DURING THE SUMMER?

BIWA is in town

You do not own a summer house or cannot go on holidays for a long time? Do not worry because not all BIWA members are out of town. Check BIWA's 'Info *no-reply*' WhatsApp group regularly to get informed about social gatherings.

If you want to suggest an event or simply know a great place to meet, please feel free to post it with the **exact date & time** of your event, as well as **your contact details**.

Have a great summer!

TUESDAYS ARE BIWA DAYS!

Meet with BIWA

Keep in mind that BIWA's coffee meetings, luncheons and 'fun activities' are usually held on Tuesdays! In case you are planning your kids' autumn activities or your own after-summer fitness program - whatever it is - try to keep Tuesdays free if you want to keep in touch with BIWA!

LIKE CELEBRITIES

Happy children at the library opening

BIWA was celebrated like celebrities at the library opening at [Lütfi Banuşođlu İlkokulu](#).

Our organization donated 15.000 TL, mainly to finance a school library and to modernize the school's event room.

The children were more than happy and gave those members who were able to join the opening a warm welcome!

BIWA SUPPORTS THE YOUTH

Write & win

All students of the Uludađ University, no matter the nationality or department of study, were welcomed to join the project 'Geçmişten Günümüze Bursa' (Bursa, from past to present). BIWA supported the project with 500 TL and attended the winner ceremony.

Congratulations to the winner!
